~~Blueprint~~ 91
D12-24

America's Most Popular Garden Carts. The Radio Carts are quality throughout. They sell at a price that's right. Their patented* recessed wheel design make them completely different from other carts. Deep, press-drawn sides for elegance and strength. Stock and sell the Radio carts in their space-saving cartons* for more economy and greater profit.

*Pat. 183179
*Pat. 2993631

Elegant, strong!

HAS RECESSED WHEELS TOO!

RECEIVED MARCH 1966
